

Specialty Physician PSA Whole County Designation
Effective for claims with dates of service 01/01/05 through 12/31/07

Instructions for use of the AR Modifier:

Check the automated pay zip code lists under Specialty links first. If your zip code is on either list, you do not have to use the “AR” modifier.

***Note** – The following listings contain all Specialty PSA designated counties. If the zip code where you rendered services is not included on the PSA automated pay zip code file, but is in a county on the following list you may use the modifier to claim the PSA bonus payment.
